

TONE IT DOWN.

Damping makes the Difference! Aearo Technologies LLC manufactures a complete line of high-performance damping materials for vibration control under a wide range of physical, temperature, and environmental conditions. Our materials damp the structureborne vibration traveling through your system to quiet the noise and remove potentially damaging vibrations. Let us show you how to stop the buzz, rattle, and ping in your system.

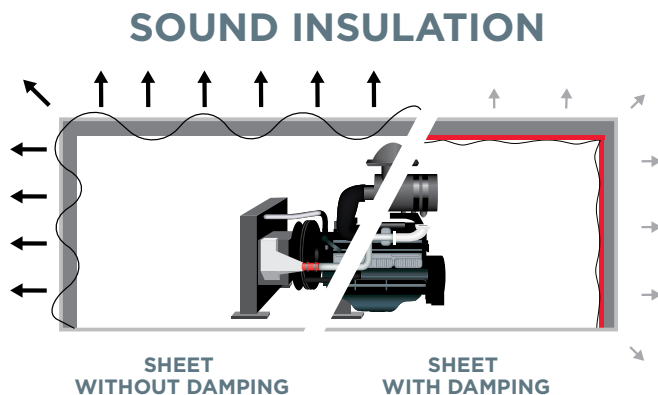

Features and Benefits

- Damping tuned for application temperature and performance
- Emphasis on machine's lower frequencies
- Self-adhering products and no secondary curing
- Easily fabricated
- Keeps stationary machinery stationary

Potential Applications:

- Enclosures
- Medical equipment*
- Motor and fan housing
- Engine driven equipment
- Metal stampings
- Construction equipment
- Plastic trim and moldings
- Home appliances
- HVAC/Ducting

How it works

The data listed in this data sheet are typical or average values based on tests conducted by independent laboratories or by the manufacturer. They are indicative only of the results obtained in such tests and should not be considered as guaranteed maximums or minimums.

*Materials must be tested under actual service to determine their suitability for a particular purpose. *Not tested for use in direct skin contact.*

Warranty and Limited Remedy: Aearo Technologies LLC warrants that each Aearo Technologies LLC product meets the applicable Aearo Technologies LLC product specification at the time Aearo Technologies LLC ships the product. Aearo Technologies LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. If a Aearo Technologies LLC product does not conform to this warranty, the sole and exclusive remedy is, at Aearo Technologies LLC's option, replacement of the Aearo Technologies LLC product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy above, and except to the extent prohibited by law, Aearo Technologies LLC will not be liable for any loss or damage arising from or related to the Aearo Technologies LLC product, whether direct, indirect, special, incidental, or consequential, regardless of the legal or equitable theory asserted.
